REASONS FOR ALLOWANCE

Claims 1-23 are allowed.

The following is an examiner's statement of reasons for allowance: The Examiner accepts Applicant's arguments that the Merola et al. reference fails to teach the combinations as recited in independent claims 1, 8, 13, and 18, and in particular the limitation regarding starting the second compression mechanism following a time lapse after starting the first compression mechanism.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc E. Norman whose telephone number is 571-272-4812. The examiner can normally be reached on Mon.-Fri., 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cheryl Tyler can be reached on 571-272-4834. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
